

**Agilent Technologies**

**Genomics**

Anatech and the ACGT Microarray Facility cordially invite you to a symposium on the Latest Advances in Microarray Applications and NGS Target Enrichment Technology

Pretoria: 12 July 2011 from 09:00 at the University of Pretoria

Johannesburg: 13 July 2011 from 10:00 at the University of Johannesburg

Topics include:

- Agilent microarray platform for all applications
- Customized arrays (eArray)
- SureSelect sample enrichment for Next Generation Sequencing
- Services offered by the ACGT Microarray Facility
- Agilent customer presentations

**One Microarray**  
for whatever you need.

Please RSVP by 8 July 2011 by contacting Gerald at (011) 462-6776 or [gerald@anatech.co.za](mailto:gerald@anatech.co.za)
