

# 3<sup>rd</sup> Proteomics Symposium & Workshop

**You are cordially invited to attend the  
3<sup>rd</sup> Proteomics Symposium & Workshop  
Date : 3-5 October 2012  
Venue : CSIR Main Campus, Pretoria  
Registration for the event is free**

## PROGRAMME

<b>DAY 1</b>	<b>SYMPOSIUM</b> Oral and poster presentations.
<b>DAY 2 &amp; 3</b>	<b>WORKSHOP</b> Facilitated by Prof. Kathryn Lilley, director of the Cambridge Centre for Proteomics.

The symposium will have oral and poster presentations from researchers and post-graduate students.

The two-day workshop aims to provide the participants with information on how to design robust proteomics workflows, as well as to identify areas of variability that may impact on the conclusions drawn from an experiment.

There is limited space for the workshop.

The full programme will be sent out after the online registration is complete.
